CLOSE-OUT OF ACTION ITEMS/ PERKINS RECOMMENDATIONS!!!!!! WHAT YOU NEED TO KNOW...

- Perkins Internal Controls PAR rankings are calculated each February.
- Criteria include: Size of Perkins grant; Perkins Performance Measures; PAR points; Number of years since last PAR.
- A college that has received a Perkins budget recommendation during its last (Standard or Perkins Internal Controls) PAR will subsequently have PAR points assigned during the calculation of the Perkins Internal Controls PAR ranking for the upcoming fiscal year.
- A college that has corrected the error or egregious practice that was cited during the PAR may request that its PAR points be close-out of action items/recommendations from the upcoming Perkins Internal Controls PAR ranking. The college must provide documentation supporting the correction of the infraction.

It is incumbent upon the college to request close-out of action items/recommendations. It is not automatically granted, nor requested by the System Office.

In order to be considered for close-out of action items/recommendations, the President of the college should submit a letter, along with supporting documentation, to the Director of Grants Management no later than January 1 of each year.

*Close-out of Action Items/Recommendations was formerly known as Expunging.
