

Faculty Development Institute Schedule

Note: All sessions will be hybrid and will meet in person for only one day from 8:30 am and ending around 3:00 pm (working through lunch).

Instructors participating in the training must complete activities prior to the training session. Session details will be provided to participants 2-3 weeks prior to training, by Dr. B. Moore

An instructor who completes Phase I will receive 24 hours of staff development credit.
You must complete Phase I prior to taking Phase II.

Also, please note that once a person registers for a session, he/she will receive a system-generated email acknowledging registration but will also receive an email from Dr. Moore several weeks prior to the session.

For any and all information, please contact:
